To: Mr. Andreas Rinnoessel  
German Member of WFAS Executive Committee

October 25<sup>th</sup>, 2010

Dear respected Mr. Andreas Rinnoessel,

first of all we may express our warm thank for your visit at WFAS headquarter in Beijing, October 22<sup>nd</sup>. The kind opinions exchange between us, concerning various affairs was very fruitfully.

It is our pleasure to know the information about the new developed S.W.A.G acupuncture therapy will be introduced by Dr. Michael Germann, vice president of WFAS, during the 2<sup>nd</sup> session of the 7<sup>th</sup> Executive Committee, November 5<sup>th</sup>, 2010 in San Francisco, USA.

WFAS will support the clinical multi-center trial initiate for the research on the new S.W.A.G acupuncture therapy in Germany. We warmly welcome that experienced doctors of Acupuncture and TCM-Association in China Educated Physicians (ATCAE, Germany) will carry out the clinical part of the trial in their clinics. We gladly noticed the support offered by Storz Medical AG, Switzerland, you introduced, for this important project in Germany.

WFAS thank you for your always outstanding engagement, also to handle this special project jointly with Dr. Michael Germann.

We are looking forward receiving your final report in 2011.

With best regards,

Prof. Deng Liangyue  
President of the World Federation of Acupuncture-Moxibustion Societies (WFAS)
